

# SERVICE BULLETIN NO. 48

Sec. VIII, Division A  
Service Bulletin 48  
Issued March 1962  
Revised January 1966

## GASKET KIT USAGE

Listed in numerical order are all the various model Clinton engines manufactured. Note: Each model engine has in most cases two complete overhaul gasket kit numbers listed, the original kit and new replacement universal kit. When stock of original kit is depleted, order the new replacement universal kit.
